ABOUT THE TEST

The online test is based upon ICAO Doc 9835 and is JAR Approved.

You will perform a work related interview by answering pre-recorded questions and simulated ATC read back in English Language. We assess your answers and rate you according to the ICAO standard.

Your results will be emailed to you - all you need to do is to sign it and send it to the CAA for a new language rating

All our Language Assessors are level 6 rated.
